

**APPLICATION PROCEDURE TO THE NATIONAL CHAMBER OF DUAL-USE AND DEFENCE SOLUTIONS
“POLISH DUAL USE CHAMBER” (PIDU)**

Dear Sir or Madam,

Below is the procedure for the admission of member companies to the Polish Dual-Use Chamber (PIDU).

It is acknowledged that the procedure is extensive; however, this results from the need to:

- a) collect information enabling the alignment of the Chamber’s activities with the profile and needs of its members;*
- b) verify companies applying for membership, which is of particular importance in light of the sectors represented by the Chamber.*

In the coming months, an online form shall be launched to enable a fully digital process for accession to the Chamber.

FORMAL PROCEDURE FOR APPLICATION TO THE CHAMBER

Stages of the process:

1. The Candidate for membership in the Polish Dual-Use Chamber shall submit the completed documentation.
2. The application documents shall be reviewed by PIDU.
3. The Candidate shall be provided with information on the amount of and rules governing the payment of membership fees, and such terms shall be accepted by the Candidate.
4. The Management Board of the Chamber shall adopt a resolution on the admission or refusal to admit the Candidate to membership of the Chamber, either as a full member or as an associate member.
5. The Management Board shall adopt a resolution regarding the amount of the entry fee, membership fees, and the method of their payment.
6. The Candidate shall be admitted to membership of the Chamber upon payment of the entry fee and membership fees.
